- Trachea

Your Lungs

Label the parts of your lungs.

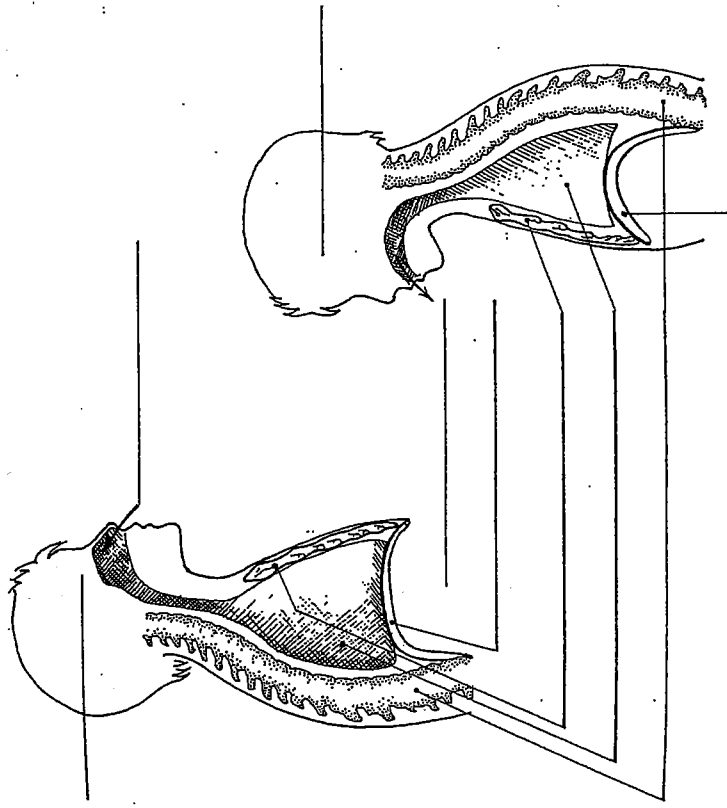

NAME:

[]

Breathe In! Breathe Out!

You breathe in and breathe out almost 20,000 times each day! Label these two pictures either **Inhale** (breathe in) or **Exhale** (breathe out). Label the other parts of your breathing system using the Word Bank.

Word Bank

- contracted diaphragm
- oxygen
- carbon dioxide
- lung
- relaxed diaphragm
- spine
- breastbone

Huff - Puff (Respiratory System Review)

Use the Word Bank to complete the puzzle.

Word Bank

- contracted diaphragm
- oxygen
- carbon dioxide
