KEY

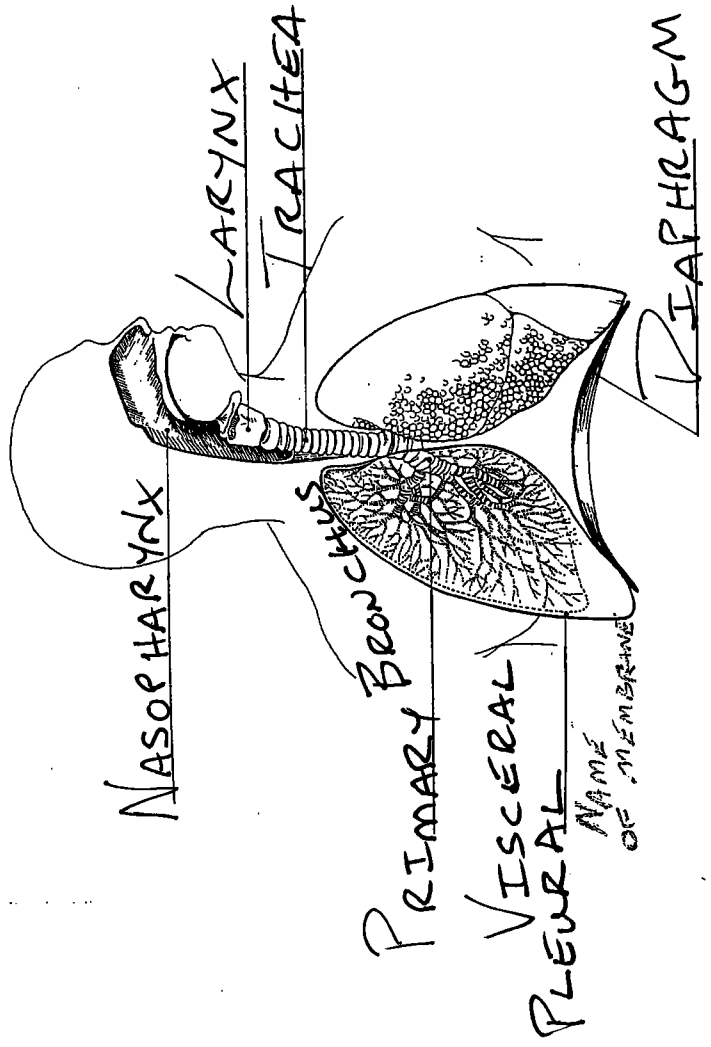

Your Lungs

Label the parts of your lungs.

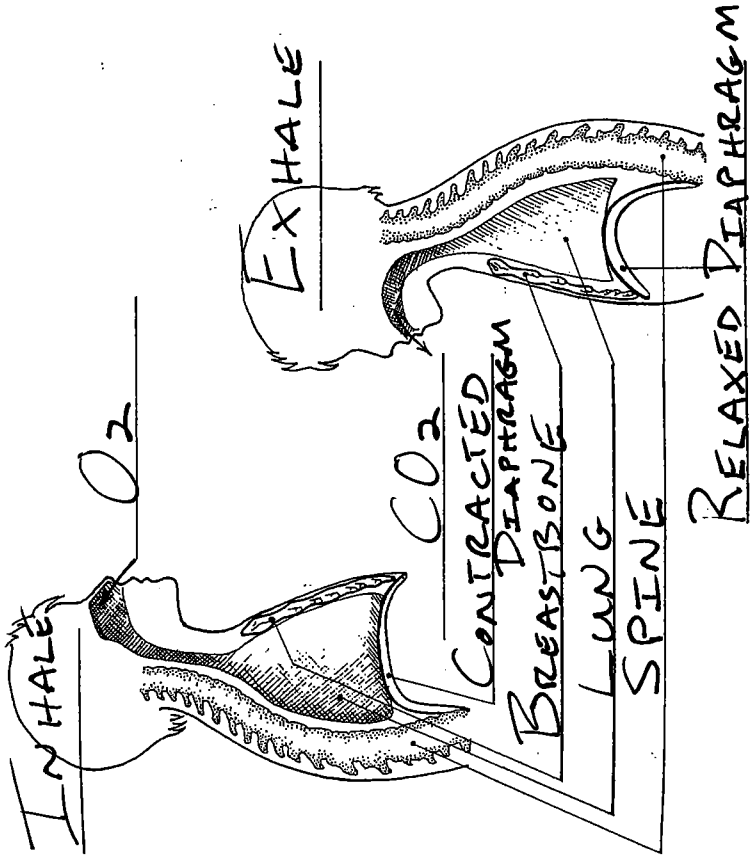

Your Respiratory System

Label the parts of your respiratory system.

Breathe In! Breathe Out!

You breathe in and breathe out almost 20,000 times each day! Label these two pictures either **Inhale** (breathe in) or **Exhale** (breathe out). Label the other parts of your breathing system using the Word Bank.

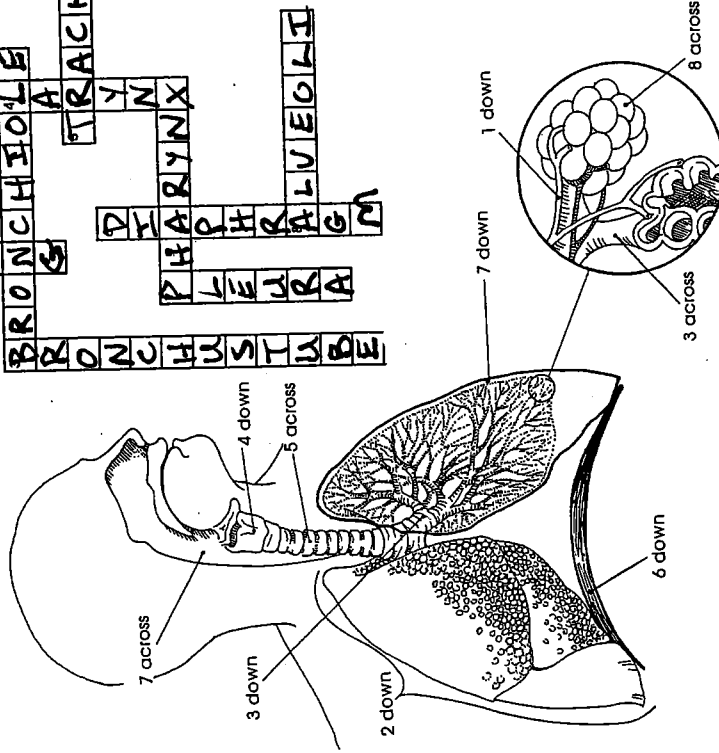

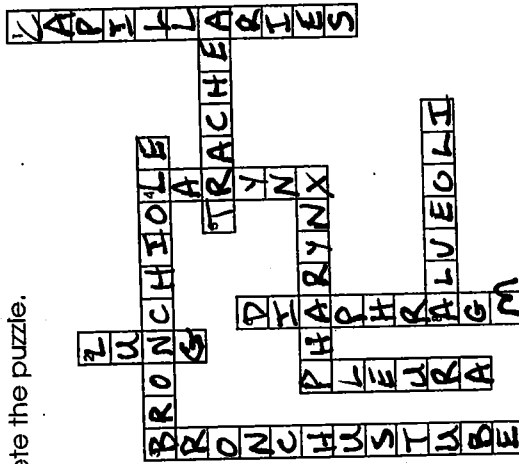

Word Bank

- contracted diaphragm
- carbon dioxide
- relaxed diaphragm
- breastbone
- oxygen
- lung
- spine

KEY

Huff - Puff (Respiratory System Review)

Use the Word Bank to complete the puzzle.
